

Get the **FLU** **SHOT** not the flu!

Flu Shot Clinics will be held at all Senior Services Centers and administered by experienced pharmacists from Walgreens. An appointment is not needed and injections will be given on a first come, first served basis.

Center	Date	Time
Coleman 415 E. Webster · 465-6216	Tuesday, September 18	9:00-11:30am
Trailside 4700 Dublin · 633-3700	Wednesday, September 19	8:30-11:30am
Sanford at Trailside 4700 Dublin · 687-7888	Tuesday, September 25	8:30-11:30am
Greendale 4011 W. Isabella · 832-8683	Wednesday, September 26	8:30-11:30am
Mills 2601 E. Shearer · 689-7776	Wednesday, September 26	12:00-2:00pm

Have your Medicare Part B or other insurance card with you and present it at the time you receive your injection along with the name of your regular doctor. In addition to people covered under Medicare Part B, those under a variety of other plans will be able to have their plan billed to cover their vaccination. If you do not carry insurance that covers flu vaccinations, Walgreens has kindly offered to scholarship your vaccine!

It is recommended that everyone get vaccinated, but it is especially important for anyone over the age of 50.
